Shadona & Rick,

Tracy handles voter cards. Although I do need to be copied on this; it is imperative that Tracy Bucholtz be made aware of these mishaps. I am not sure how this could have happened as everyone should be keeping voter cards to be scanned in a separate file away from any other documents, trash, etc. Voter cards should be treated and maintained as secure as you would a \$20 bill and not mixed up with other documents.

Thank you,

Phil,

At the end of the day, Examiner Ross accidentally ripped up this voter. It was an accident. It got caught up in some items that were being thrown away when he was trying to straighten up Tanya's desk before he left. The customer number is [REDACTED]. The customer's name is [REDACTED] Because of this, I was only able to scan over one of his voter forms, although two is listed on EOD paperwork.

Respectfully,

Shadona S. David
